NURSING SERVICES

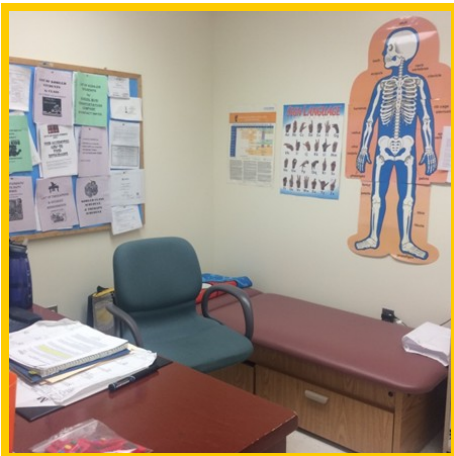

What are our nurse services?

Who is our nurse?

What medical supports are the nurses equipped with?

What Does Our Nurse Do?

- Monitor student health needs
- Administer health and wellness assessments
- Ensure immunizations and medical records are up to date
- ID emergency needs and help with any emergency medical concerns
- Facilitate staff training on seizure protocol, allergies, emergency medicine, etc.
- Organize hearing, vision and dental screenings for all students
- Participate in CPI training to assist with any crisis situations

Who Is Our Nurse?

Shalini Ascalon, RN, BSN, CSN graduated from New York University (NYU) with a Bachelor's Degree of Science in Nursing (BSN). She was on the Dean's List and earned 18 credits towards Master's Degree of Science in Nursing Education under the Dual Degree Program (RN-BS/MA) in Nursing of NYU. As a nurse since 1997, she has also completed The New Jersey City University's (NJCU) School Nursing Certification Program to become a Certified School Nurse (CSN).

The Nursing Suite

The Kohler School has its own nursing suite equipped with a variety of medical instruments and treatment options for our students. Whether it is routine medication management, a minor cut or scrape or emergency medicine, our nursing suite is able to support the needs of all of our students.
