NURSING SERVICES

What are our nursing services?

Who are our nurses?

What medical supports are the nurses equipped with?

The Arc
Union County

What Do Our Nurses Do?

- Promote and practice New Jersey's highest standards for school health services
- Assess student's health needs; provide appropriate interventions
- Maintain and ensure the confidentiality of a complete up-to-date student health record
- Perform state-mandated screenings; organize dental screenings for all students
- Coordinate with student's personal physicians and related service providers to implement the delivery of treatment plans
- Provide appropriate crisis prevention (CPI) and response as needed and serve as a model for staff in the implementation of approved CPI techniques

Who Are Our Nurses?

Renee Mowczan, BSN, RN, CSN graduated from Rutgers University with a Bachelor of Science in Nursing degree and completed graduate level coursework at Rutgers University in order to obtain a Certification of School Nursing.

Katherine Lonergan, BSN, RN, CSN graduated from William Paterson University with a Bachelor of Science in Nursing degree and completed graduate level coursework at New Jersey City University in order to obtain a Certification of School Nursing.

Ms. Lonergan and Ms. Mowczan are members of the New Jersey State Nurses Association and the New Jersey State School Nurses Association.

The Nursing Suite

The Kohler School is equipped with a nursing suite to accommodate each student's needs while maintaining privacy and confidentiality. Whether it is routine or emergency medication management, a minor cut or scrape, our phenomenal nurses are committed to addressing the needs of each student.
